

## WHAT MAKES WOOLI A GREAT PLACE TO HOLIDAY ?

Discover a magical hamlet surrounded by Yuraygir National Park and the Solitary Islands Marine Park when you visit Wooli. With only 600 hundred homes Wooli is a sleepy hollow that takes you far from the madding crowd. Located on the coast, this thin strip of land has a quiet ambience that will enable you to relax and unwind and enjoy a slower pace of life.

The drive to Wooli from the Pacific Highway takes you through the Pillar Valley dotted with farms as well as stretches of uncleared bush. Kangaroos are in abundance in paddocks along the drive. Let your bird watching experience begin as you travel towards your destination at Blue River Apartments. If you are very lucky you may get a glimpse of the elusive coastal emu.

With an ocean and a river there are plenty of aquatic activities to fill your day. Bring your surfboard and enjoy the break off the point, grab Blue River Apartment's 2 person kayak and enjoy a paddle to the upper reaches of Wooli Wooli River, have a swim in the ocean, river or tidal pool located towards the river mouth. Bring your boat and head out to sea fishing or if you prefer stay on the river. Alternatively you can fish off the groyne, jetty or river's edge. Crabbing is also an option. If you prefer, you can charter a fishing or diving trip out to the Solitary Islands. Boat & stand up paddle boarding hire is also available locally.

Wooli has a myriad of walking options from strolls along the river's edge and ocean front, where you may find yours are the only footprints on the beach, to coastal walks from Wilson's Headland; part of the 65 km Yuraygir Coastal Walk. Alternatively jump in your 4WD or strap on your hiking boots and find out what Yuraygir National Park is all about. Find a spot and watch the annual whale migration or take a whale watching tour. There is always the option to grab a good book or great music and find a spot in the units, on the deck, sand dunes or shorelines and just chill.

Wooli is well serviced by The Wooli General Store, The Wooli Hotel, Harry's Chinese Restaurant located in Wooli Bowling Club, Holiday Coast Meats, The Wooli Oyster Bar and Little Fish Café.

Wooli is wonderful year round with a temperate climate where you can make the most of our winter fireplace option. Find out for yourself soon when you book a holiday with Blue River Apartments.
